03 Application Process for Tenancy

• Eligibility:

Foreign financial institutions entering or re-entering the domestic market in Korea.

Foreign financial institutions in the preparation stage for market entry and establishment of a corporate entity in Korea.

Tenancy period: 2 years (with the possibility of extension up to 3 years based on performance evaluations, etc.).

Rent: Monthly charge of KRW 30,000 per square meter of exclusive area (excluding VAT)

• Excluded Applicants:

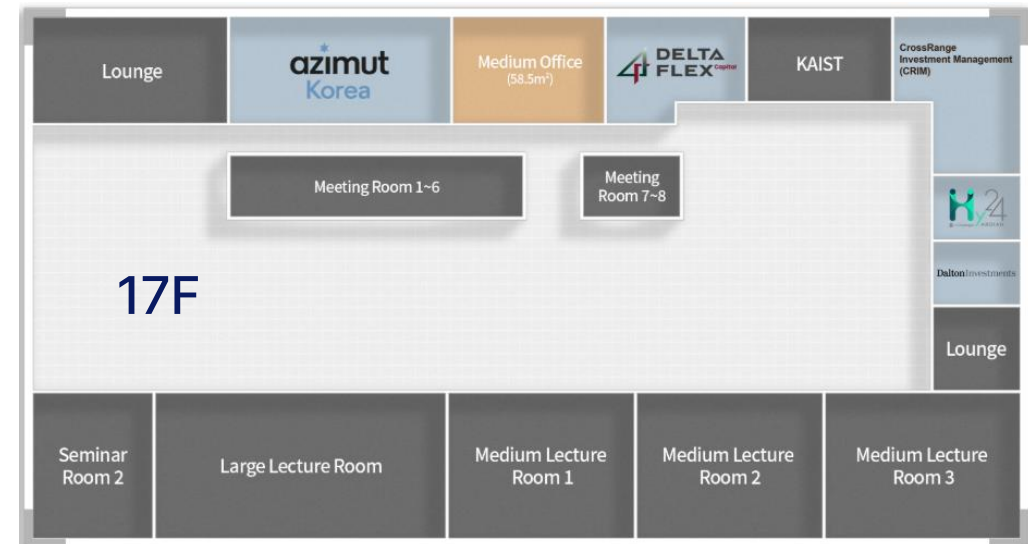

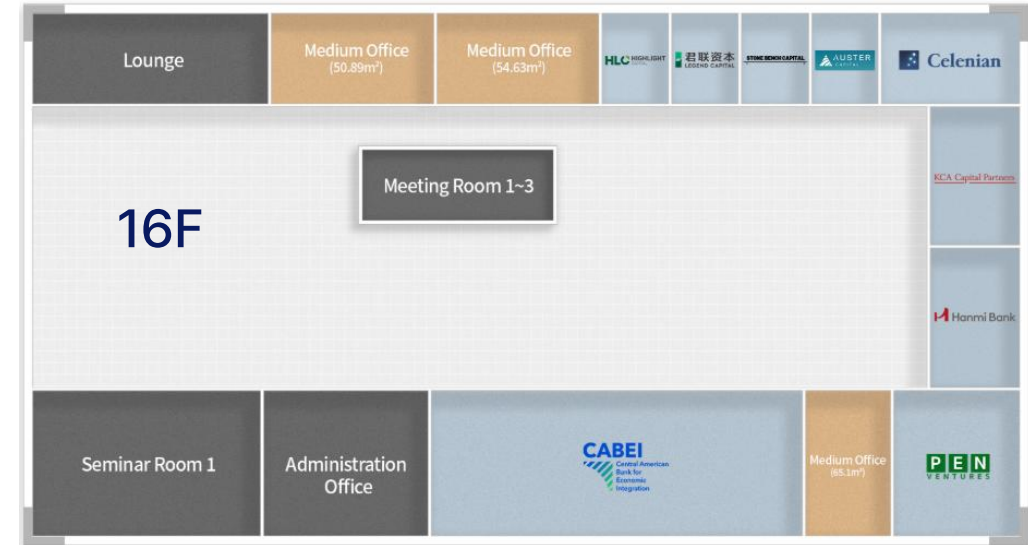

Domestic institutions already operating in Korea seeking to relocate their headquarters, branches, etc.

• Application Process:

Submit required documents through the "Seoul International Financial Office > Tenancy Application" section on the Seoul International Financial Office website.

Required Documents: Tenancy Application Form, Business Plan, Financial Industry Authorization Documents from the home country, etc.

Document review followed by an assessment through document review and face-to-face interviews.

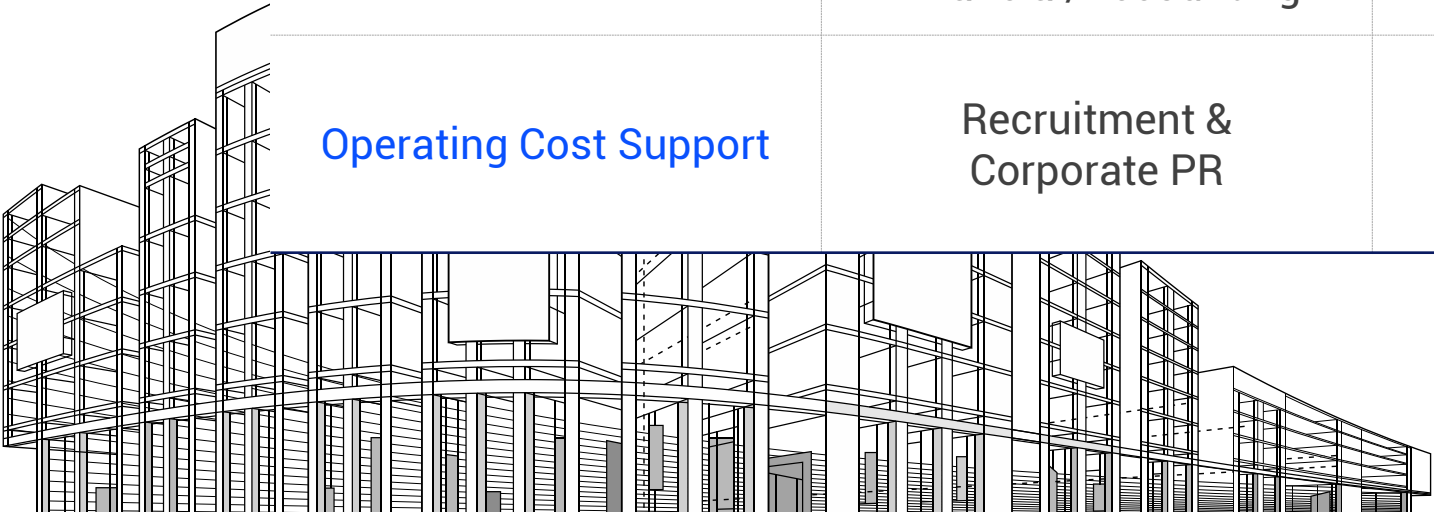

03 | Tenancy Support Benefits

Purpose Support for Tenant Institutions to Enhance Business Activity

Support Coverage Up to 5 million won in business expense support per tenant institution

Category	Field	Details
